

*Welcome to Temple
Torat Yisrael (TTY)
where you will find
a warm, vibrant and
diverse community.*

By being inclusive, we have created a progressive congregation. The challenge of meeting the needs of each individual is met by offering members choices in the way they worship and participate in a variety of social activities and educational programs.

As a Conservative temple, we highlight Jewish values as they apply to the contemporary world. We welcome interfaith families. Our Rabbi and lay leadership seek input from our members so that each individual finds a comfort level appropriate for his/her requirements and expectations.

*We invite you to meet with
our leadership, join in our
services, and speak to our
members. We hope you will
join our congregation.*

Religious School

Our Cohn Religious School provides an extensive educational program for students from kindergarten through Bar and Bat Mitzvah. Under the leadership of Dori Adler, Educational Director, our curriculum is geared to creating a meaningful experience for all our students. Our Rabbi ensures that our children grow up with an appreciation of religion that is melded with joy.

Our Leadership

Rabbi Aaron Philmus brings energy to everything he does. With deep religious fervor, he highlights our prayers with a melodious voice and instrumental accompaniment. He seeks to engage each member by making participation personally meaningful. The lay leadership works closely with the religious leadership and a professional administrative staff supports both.
