From our FAQ: What does the term "family" mean at Torat Yisrael?

The more important question is "what does "family" mean to you?" Single parent families, interfaith families, same-sex partners with or without children, mom, dad and kids . . . if you consider yourself a family, we embrace you as a family and we look forward to integrating you into our broader Torat Yisrael family.

A note to our new interfaith members: How do you define "family?"

As a family with an adult member of a different faith, you have two membership options: "family" membership or "one adult head of household" membership. Family membership includes 2 adult High Holiday tickets. One adult head of household membership includes one adult High Holiday ticket. Please call the office if you need an additional ticket.
